Facility to pay the contribution in instalments.

Interest declared each quarter will become part of the capital.
And both capital and interest will continue to earn interest every quarter.

Tax Benefits as applicable

How does the product work?

This is a group variable insurance plan, administered similar to a cash accumulation scheme.

- The contributions received shall be invested in the Fund. Interest rate p.a. will be declared at the beginning of each quarter in each Financial Year depending on the prevailing yields. The interest once declared will be valid for 1 year from the date of contribution / Funds acquired during the months of the respective quarter. The various contributions received under this Scheme will be put into a single Fund and the contributions received in each quarter will be tracked separately for interest credit.
- The invested assets will be earmarked separately and the policy account value of the product will be disclosed on daily basis in the website.
- The interest declared will be credited on a prorated basis. Once declared, interest will also become part of the Fund.

Please Note : **Benefits payable**

The benefit payable from the Fund will be as specified in the Trust Deed as per the Rules of the individual Employer's / Trustee's Scheme. Under any circumstances, if the Fund balance is not sufficient to pay the stated benefits as per Trust Deed and Rules, the shortfall will be borne entirely by the Group Policyholder.

How does the product work?

On Death:

Accrued benefits are payable as per Scheme Rules of Group Policyholder. Such payments are subject to the maximum available Fund balance for the particular group Scheme. Market Value Adjustment will not be applicable if the benefit payout arises out of the death of the member/s.

On Retirement/ Resignation/ Termination:

- Accrued benefit payout as per Scheme Rules of Group Policyholder will be made subject to the available Fund Value.
- In case of bulk exit or complete surrender of the Scheme prior to the third renewal of the Scheme, Market Value Adjustment will be applicable.
- Each tranche of contributions will have a minimum guaranteed interest rate of 2% p.a.

*Bulk exit is defined as the amount paid in excess of 25% of the total Fund Value at the beginning of the respective Financial Year upon exit of the member from the Scheme as per the Scheme Rules.
