MNS, VBA against idea: Shivaji Park should not be sacrificed for party politics

EXPRESS SERVICE MUMBAI, FEBRUARY 8

THE HISTORIC Shivaji Park should not be sacrificed for party politics, Maharashtra Navnirman Sena (MNS) leader Sameer Deshpande said on Tuesday.

"Dadar residents have fought for long to protect Shivaji Maharaj Park from encroachment. They want the park to remain an open playground. It is my ardent appeal that Shivaji Park should not be sacrificed for party politics," tweeted Deshpande, who is also the party spokesperson.

The MNS response came 24 hours after BJP and Congress leaders demanded a memorial for the late singer Lata Mangeshkar at Shivaji Park. She was cremated with full state honours at Shivaji Park on Sunday. Nanchit Bahujan Aghadi president Prakash Ambedkar also took a similar stance: "Don't turn

Shivaji Park into a cremation ground. Let Shivaji Park retain its own distinct identity and remain an open ground," he said. On Monday, BJP MLA Ram Kadam had written to CM Uddhav Thackeray, demanding a memorial for the late singer at Shivaji Park.

"On behalf of music lovers and fans, I would request the CM to consider a memorial at Shivaji Park at the same venue where Lata Mangeshkar was cremated," he wrote. The Shiv Sena responded cautiously to the request, with cabinet minister Aaditya Thackeray saying, "Any decision on the memorial will have to be considered after consultation with the Mangeshkar family." The Sena has an emotional connect with the park as this was the venue where party founder Bal Thackeray used to hold Sena's annual Dusshera rally. This tradition was discontinued by party president and CM Uddhav Thackeray.

Two arrested for robbing IIT-B students at knifepoint over drugs

EXPRESS SERVICE MUMBAI, FEBRUARY 8

THE POWAI police recently arrested two youths, who, in order to continue their drug addiction, allegedly robbed two students of IIT-Bombay at knifepoint in separate incidents. After the arrest of the first robbery spread on the IIT campus, the second victim studying in the institute approached police. One of the complainants, Ganesh Sheshadri, was robbed on January 20 around 5:30 pm when he was on his way to meet a friend. He was walking on Pipeline Road behind Renaissance Hotel when the two accused accosted him and robbed Rs 700 in cash and made him transfer Rs 5,000 to a grey.

Sheshadri approached the police, after which an FIR was registered. When the information about the incident spread on the campus, another student, Hishlesh Bodas, 21, heard about it and approached the police, saying the two was robbed.

On January 26, Bodas too was robbed near the same spot. The two accused robbed Bodas of Rs 500 and made him transfer Rs 18,000. "Based on technical evidence, we traced the duo. They are involved in both the robberies," said Maharashtra Reddy, DCP Zone 10. The accused are Anshik Rajhbin, 19 and Satish Yadav, 21, residents of a slum next to NITIE, Powai. "We arrested them on February 1 and got their custody. We will now arrest them in the second case too. We are finding out if they robbed more people," said Vinod Patil, assistant inspector from Powai police station.

HC issues show-cause notice to Nawab Malik over Wankhede contempt plea

OMKAR GOKHALE MUMBAI, FEBRUARY 8

THE BOMBAY High Court on Tuesday issued show-cause notice to NCR member Nawab Malik in a contempt plea by Dnyandeo Wankhede, father of former Narcotics Control Bureau (NCB) zonal director Sameer Wankhede, who claimed that though Malik gave an undertaking to the court, he continued to make defamatory statements against the Wankhede family. The High Court has asked the minister to respond by February 21 stating why action must not be taken against him and contempt proceedings initiated in accordance with the law.

The court issued the notice after perusing an affidavit filed by Malik in which he stated that the contents made by him on December 28, January 2 and 3 against Sameer Wankhede were in line with the liberties granted to him by the High Court. However, the court upheld Wankhede's contention that the statements on the said dates were defamatory.

On Tuesday, advocate Karli

Tamboly for Malik submitted an affidavit in reply to the plea, stating that the impugned responses were made by Malik under the impression that such responses, made during the course of interviews, were within the ambit of the undertaking made before the court, as recorded in the order dated December 10 last year.

Malik, in his affidavit, stated that the remarks cited by the petitioner which public good requires to be made and that the contempt plea was filed with the "oblique motive" to stop him from giving details on "illlegals committed by central agencies such as NCB" and pointing that the dismissed.

Appearing for Wankhede, senior advocate Birendra Saraf argued that Malik had committed contempt of the undertaking given by him and therefore application for contempt must be taken against him. The court noted that if Malik was not accepting the veracity of the excerpts of his press conference by the petitioner, he ought to have given the correct version of the excerpts, which was not done. "We are therefore not satisfied with explanation by respondent and direct registry to issue show-cause notice to him re: contempt on February 21," the bench said.

ATS says it doesn't have 'reports or notings' sought by Deshmukh

Former minister seeks notes in Antilia terror scare case to expose 'param satya'

MOHAMED THAYER MUMBAI, FEBRUARY 8

AFTER THE Maharashtra Anti-Terrorism Squad (ATS) submitted its investigation report in the Antilia terror threat incident and related cases using which Anil Deshmukh had threatened to expose the "param satya", the former state home minister on Tuesday sought "other material and notes" from the ATS from which he probed the case. But the ATS said that there were no "separate reports and notings" apart from reports that it had submitted before the Justice JG Chandiwad Commission.

Sources told *The Indian Express* that the submission made by ATS contained the statements and probe carried out by the Squad

into the cases registered in connection with the Antilia case and the Mansukh Hirani murder case, before they were transferred to the National Investigation Agency last year. "The investigation papers have nothing specific to any other individual who has so far not been charged in the case," a source said.

Deshmukh had earlier told the Chandiwad Commission that when he was the state home minister, the ATS had shown him some documents that would help unmask the role of others in the Antilia case. Recently, Deshmukh has alleged that former Mumbai police commissioner Param Bir Singh was the "mastermind" of the Antilia terror threat incident.

A senior official told *The Indian Express*: "There are three sets of papers—one each related to the vehicle missing case, the Antilia terror threat case and the Mansukh

Hirani murder case. These contain earlier case papers of Mumbai Police, including some which were dismissed cop Sachin Waze was the investigation officer. It then has some of the statements that ATS recorded after the probe was handed over to it, before the ATS took over the case. Apart from that, there is no note or any mention of the role of anyone else in the case."

On Tuesday, during the hearing of the Chandiwad Commission, ATS ACP D J Fagare, along with inspector D N Mohite, were present before the Commission.

Advocate Prashant Pawar, appearing for Deshmukh, pointed out that apart from the investigation papers of ATS, request was also made for calling/summoning

material and other notes to unearth the truth in regard to the two cases, and therefore such material may be called. To this, Mohite, who was a member of the investigation team, submitted that neither are there any separate report and notings prepared by the ATS nor has it been forwarded to the government. The matter was then posted for further hearing on Wednesday.

The Chandiwad Commission was set up by the state government to probe into the corruption charges made against Deshmukh by Singh to CM Uddhav Thackeray. The hearing at the Commission is its final end and a report is likely to be submitted to the government in the next few weeks.

The above results have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on 8th February, 2022. The Statutory Auditors have conducted limited review of the Financial Results. The Financial Results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under section 133 of the Companies Act, 2013 in read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time. The outbreak of coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. However, the business activities of the Company is going gradually on track in line with the lifting of restrictions as imposed by the central government. The Company has requested Railway Board to reconsider waiving off the fixed charges (fixed haulage and Custody charges) amounting to Rs. 2,79 Lakhs upto 31st March, 2021 for non-operational period of three private trains considering it as a force majeure situation, as the lockdown and restrictions imposed by Government of India due to COVID-19 pandemic were beyond control of the Company. However, the Company has made adequate provision for these charges in the Financial Year 2020-21. "During the period ended before 22nd March, 2020" has been treated as non-operational period to 28th February, 2021. Income as well as railways share payable has accrued during the period 2020-21 and to be charged up to 28.11.2021. Railway Board order dated 23.02.2021 for termination of Standard Bid Document agreements due to change in scope of work, has been withdrawn on 18.11.2021 and appeal filed by Railway Board for annulment of order dated 23.02.2021 against Forfeiture of Bid. High Court has now been withdrawn by Railway Board. Catering services has been started with cooked food from 27.11.2021 in a phased manner and income and railway share payable has been accrued accordingly. However, the effect of enhancement of License Fee for the period from 27.11.2021 to 31.12.2021 has not been ascertained & recognized on account of increase in liability as per the CC-6 of 2019 issued by the Railway Board, since due to Pandemic, the sales assessment by the Company is pending. In respect of PPP plants of Railways, the management has decided that compensation in lieu of the commitment of minimum assured level of sales shall not be payable to the operators. But certain DCOs have not accepted the decision of the Company and the financial implication calculated net of License Fee waived off works out to Rs. 221.52 lakhs upto 31st March, 2021 and Rs. 156.29 lakhs for the nine months period ended 31st December, 2021 which have not been provided in the books of accounts. No provision has been made for charges for use of PRS of Indian Railways by the Company for Tejas Trains for the year ended 31st March, 2021 and for the nine months ended 31st December, 2021 as the same are yet to be decided by the Company and the party. During the quarter, the Company has Sub-Divided its 1600 Lakhs equity shares of face value of Rs. 10/- each fully paid up into 8000 Lakhs equity shares of face value of Rs. 2/- each upto 31st December, 2021 as recommended by Board of Directors and approved by the Shareholders of the Company. Earnings per Share have been calculated/ restated, as applicable for the period of equity shares presented. The management has also decided to divide the net profit/dividend in line with the provisions of the applicable Ind-AS and to make figures of EPS comparable with previous period/year. The Board has declared an Interim Dividend of Rs. 2/- per share/Face value of Rs. 2/- per share for the financial year 2021-22 in its meeting held on 08th February, 2022. The figures for the previous periods have been regrouped/reclassified/revaluated, wherever considered necessary/requisite.
