PNB MetLife launches new savings plan with assured benefits

PNB MetLife has launched a new savings-oriented life insurance plan that offers guaranteed returns and allows for customization to customers' savings schedules.

The product has been launched under the brand name 'Guaranteed Goal Plan.'

The new plan offers a customer the flexibility to choose a duration of premium payment from a single premium all the way up to 12 years. Also, customers can go for a guaranteed lumpsum payout on maturity or a structure which pays a guaranteed income after completion of the premium payment term and a lumpsum amount at maturity, the company said.

Life insurance claim can't be rejected for mis-statement in proposal after 2 years

Jehangir Gai

The National Consumer Commission has ruled that a life insurance claim cannot be rejected for mis-statement in the policy proposal after a period of two years. The law now provides three years. The present complaint was filed by Nikhil Sharma through his father Ajay Sharma. The complainant was the nominee in the policy taken by his deceased grandfather.

Gopal Dass had an account with Karnataka Bank, Varanasi Branch. The bank's

officials persuaded him to take life insurance policies from Metlife India Insurance. He took three policies with a coverage of Rs 30 lakh, Rs 70 lakh and Rs 35 lakh, totalling

Rs 1.35 crore. The policies were issued after subjecting him to medical tests. His grandson, Nikhil Sharma, was a the nominee under all the policies.

Gopal Dass expired on October 25, 2011. Nikhil, being a minor, lodged the claims through his father, Ajay Sharma. However, the claims were rejected through a common repudiation letter on the ground that Gopal Dass had suppressed material facts relating to his income. The insurer, however, issued demand drafts for Rs 4,43,941, Rs 54,137 and Rs 31,140 under each policy without giving any explanation.

Nikhil refused to accept the demand drafts, and approached the Insurance Ombudsman, but his complaints were

rejected on technical grounds. So Nikhil filed a complaint before the National Consumer Commission.

In its order of February 9, 2022, delivered by C. Viswanath and Justice Ram Surat Ram Maurya, the National Commission ordered the insurer to pay the entire claim, totalling Rs 1.35 crore along with 9% interest.

પ્રસ્તાવમાં ખોટી માહિતી માટે બે વર્ષ બાદ વીમાનો ક્લેમ નકારી શકાય નહીં

અમારા પ્રતિનિધિ તરફથી મુંબઈ, તા. ૨૧ : રાષ્ટ્રીય ગ્રાહક પંચે એવો ચુકાદો આપ્યો હતો કે, પોલિસીના પ્રસ્તાવમાં ખોટા બયાન માટે બે વર્ષ બાદ લાઈફ ઇન્સ્યુરન્સ (જીવન વીમા)ના ક્લેમને નકારી શકાય નહીં. કાયદો હવે ત્રણ વર્ષનો સમય આપે છે. વર્તમાન ફરિયાદ નિખિલ શર્માએ પોતાના પિતા અજય શર્મા દ્વારા કરી હતી. મૃતક દાદાએ લીધેલી પોલિસીમાં ફરિયાદી નોમિની છે.

ગોપાલદાસ કણાઈટક બેન્કની વારાણસી બ્રાન્ચમાં ખાતુ ધરાવતા હતા. બેન્કના અધિકારીઓએ મેટલાઈફ ઇન્ડિયા ઇન્સ્યુરન્સની વીમા પોલિસી લેવા તેમને સમજાવી

લીધા હતા. તેમણે રૂપિયા ૩૦ લાખ, રૂપિયા ૭૦ લાખ અને રૂપિયા ૩૫ લાખ એમ કુલ રૂપિયા ૧.૩૫ કરોડની ત્રણ પોલિસીઓ લીધી હતી. તબીબી પરીક્ષણ બાદ તેમને પોલિસીઓ આપવામાં આવી હતી. તેમનો પૌત્ર ત્રણે પોલિસીમાં નોમિની હતો. ગોપાલદાસ ૨૫ ઓક્ટોબર, ૨૦૧૧ના અવસાન પામ્યા હતા, ત્યારે નિખિલ સગીર હતો એટલે તેણે તેના પિતા દ્વારા ક્લેમ કર્યો હતો. ગોપાલદાસે તેમની આવકને લગતી હકીકતો છુપાવી હતી, એવું કારણ આપીને નિખિલના ત્રણે ક્લેમ નકારી કાઢવામાં આવ્યા હતા. જોકે, વીમા કંપનીએ કોઈપણ કારણ આપ્યા

વિના રૂપિયા ૪,૪૩,૯૪૧, રૂપિયા ૫૪,૧૩૭ અને રૂપિયા ૩૧,૧૪૦ના ડિમાન્ડ ડ્રાફ્ટ પ્રત્યેક પોલિસી હેઠળ આપ્યા હતા. નિખિલે આ ડિમાન્ડ ડ્રાફ્ટ સ્વીકારવાનો ઇન્કાર કર્યો હતો અને ઇન્સ્યુરન્સ ઓથોરિટીને સંપર્ક સાધ્યો હતો, પરંતુ ટેકનિકલ કારણોસર તેના ક્લેમ નકારી કાઢવામાં આવ્યા હતા. એટલે નિખિલે રાષ્ટ્રીય ગ્રાહક પંચ સમક્ષ ફરિયાદ નોંધાવી હતી.

૯ ફેબ્રુઆરી, ૨૦૨૨ના પોતાના હુકમમાં નેશનલ કમિશને નવ ટકાના વ્યાજ સાથે કુલ રૂપિયા ૧.૩૫ કરોડ નિખિલને ચૂકવવાનો વીમા કંપનીને આદેશ આપ્યો હતો.

Fear reinvestment risk? Go for immediate annuities instead

SANJAY KUMAR SINGH

The Life Insurance Corporation (LIC) of India recently revised the annual pension on its immediate annuity plan, Jeevan Akshay VII, upward. A person aged 60 will now get a return of 8.49 per cent in the without-return of purchase price (RoPP) variant and 5.99 per cent in the with-RoPP variant.

A change of rate by the industry's largest player assumes significance. LIC's assets under management in the pension, general annuity, and group fund category stood at ₹1.12 trillion, compared with ₹1.3 trillion for all private players (Source: Insurance Regulatory and Development Authority of India's annual report, 2020-21).

Lock in rate for life

Interest rates on fixed-income products have been declining over the long term.

"State Bank of India one-year fixed deposit (FD) gave 8.25 per cent in May 2015 and gives 5.1 per cent today," says Vivek Jain, business unit

head-investments, PolicyBazaar. This trend creates reinvestment risk: when a person goes to reinvest the corpus from a product that has matured, he could be forced to do so at a lower rate. An annuity allows an investor to lock in the rate of interest for his lifetime.

"It offers protection against longevity risk – the risk that you may outlive your savings," says Jain.

Other fixed-income products allow you to lock in the rate for a limited period.

"Senior Citizen Savings Scheme (SCSS) allows you to lock in the rate for five years, FDs for up to 10 years, and Pradhan Mantri Vaya Vandana Yojana (PMVVY) for 10 years. With long-term government bonds, you can lock in the rate for up to 30 years," says Deepesh Raghaw, founder, PersonalFinancePlan, a Securities and Exchange Board of India-registered investment advisor.

Useful in many scenarios
An elderly person may worry

ANNUITY RATES RANGE FROM 5.82-6.51% FOR 60-65-YEAR-OLDS

Annual pension (₹) on investment of ₹ 10 lakh (Without GST)

Plan	60-year-old	65-year-old
HDFC Life New Immediate Annuity Plan	65,000	65,100
Kotak Lifetime Income Plan	64,370	64,268
Max Life Guaranteed Lifetime Income Plan	62,230	62,450
IndiaFirst Life Guaranteed Annuity Plan	62,228	62,659
Exide Life New Immediate Annuity	61,820	62,470
Bajaj Allianz Life Guaranteed Pension Goal	61,711	61,640
PNB MetLife Immediate Annuity	61,514	61,764
SBI Life Annuity Plus	61,470	62,103
IPru Life Guaranteed Pension Plan	61,134	61,102
Canara Pension4Life Plan	60,470	60,970
LIC India Jeevan Akshay - VII	59,888	60,296
Tata AIA Life Smart Annuity Plan	58,238	58,863

*Without GST; The figures are for life annuity with return of purchase price, where the invested amount is returned to the nominee
Source: PolicyBazaar

that his family members will not be able to manage his wealth in his absence. Or may fear his children may not look after his spouse in his absence. Parents worry about the well-being of specially-abled children.

"All these people can ensure a constant income stream for their dependants' entire lifespan through an annuity," says Raghaw.

Low return, low liquidity

The rate of interest on immediate annuities is not attractive, especially in the with-RoPP variant, compared to products like SCSS and PMVVY, which offer 7.4 per cent. Returns from annuities also tend to be low when bought at a younger age.

Their returns are also not inflation-protected. The value of the amount they pay erodes over time.

Liquidity poses another challenge.

"If you want your investment back, the surrender value will typically be 75-80 per cent," says Jain.

Keep part of corpus in liquid instruments

Investors can earn a better rate of return from an immediate annuity by staggering their purchases.

"Buy in tranches at 60, 65, 70, and so on. The rate of return improves a lot with age, especially in the without-RoPP variant," says Raghaw.

Weigh the pros and cons of the without- and the with-RoPP variant. The former gives a higher return. "You have to invest a smaller amount to get the desired pension. The money thus freed up can be used for other purposes," says Raghaw.

According to Naval Goel, chief executive officer, PolicyX.com, "Those who don't have dependants and desire a higher return may opt for this variant."

Those who want to pass on wealth to their heirs may prefer the with-RoPP option.
