Benefits under PNB MetLife Bima Yojana

**Death Benefit**

On unfortunate death of the Insured Member during the cover term, the benefit payable will be as mentioned below:

**Level cover option:** The amount payable on the death of the Insured Member shall be equal to the Sum Assured chosen at inception.

**Reducing cover option:** The amount payable on the death of the Insured Member shall be equal to the Cover Schedule on the date of death of the Insured Member.

The insurance coverage for Insured Member will terminate with the payment of 100% of the claim amount.

**Joint life option:**

**Level cover option:** The amount payable on the first death of any one of the Insured Member shall be equal to the Sum Assured chosen at inception.

**Reducing cover option:** The amount payable on the first death of any one of the Insured Member shall be equal to the Cover Schedule on the date of first death of any one of the Insured Members.

In case of simultaneous death of the both lives, claim for only one of the joint lives shall be accepted.

In case of joint life the cover terminates on the payment of death claim in respect of any one of the insured members

**Survival or Maturity Benefit**

There is no survival / maturity benefit under this plan.

**Non-forfeiture benefits**

**Surrender Benefit**

The Insured Member may surrender the Certificate of Insurance and the following surrender value would be paid to the Insured Member:

For Single Pay, the coverage shall acquire guaranteed surrender value immediately after the payment of Single premium, which will be -

\[ \text{Sum Assured in-force at the time of surrender} = \frac{X \times \text{Total number of months remaining to maturity}}{\text{Sum Assured at the inception of the Coverage}} \]

Where X = 75 if surrendered anytime within third year from the commencement of the coverage, 90 if surrendered on or after fourth year from the commencement of the coverage, if applicable.

For Limited Pay, the coverage shall acquire guaranteed surrender value, provided all premiums have been paid for at least two consecutive years. The guaranteed surrender value will be -

\[ \text{Sum Assured in-force at the time of surrender} = \frac{Y \times \text{Total number of months remaining to maturity}}{\text{Sum Assured at the inception of the Coverage}} \]

Where Y = 0 if surrendered in the first year from the commencement of the coverage, 30 if surrendered during the second year, 35 if surrendered during the third year, 50 if surrendered between fourth year and seventh year from the commencement of the coverage (both inclusive) and 90 if surrendered after seventh year from the commencement of the coverage. For Regular Pay, the coverage shall not acquire any surrender value.

In case of surrender of the Group Policy, the Individual Member will be permitted to continue life insurance coverage to the extent available under this group policy.

In case the loan is prepaid before the date of maturity (under both reducing cover and level cover options), if the Insured Member gives in writing to terminate the risk cover, the applicable surrender value as on the date of surrender will be paid to the Insured Member and the risk cover terminates.

**Reduced Paid-up value**

If a Certificate of Insurance has acquired a surrender value and no future installment premiums are paid, the coverage will continue as a Paid - up coverage with reduced benefits, however the Insured Member shall have the option to surrender the Certificate of Insurance. A Paid-up coverage can be revived as defined in 'Revival Provisions' section.

If the Insured Member continues the cover as a reduced Paid-up cover the reduced benefits given below shall become payable:

**Level Cover:** Chosen Sum Assured * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term) payable on the death of the Insured Member.
Reducing Cover: The amount payable on the death of the Insured Member shall be equal to the Cover Schedule on the date of death of the Insured Member * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term).

The insurance coverage for Insured Member will terminate with the payment of 100% of the claim amount.

Joint life option:

If a Certificate of Insurance has acquired a surrender value and no future installment premiums are paid, the coverage will continue as a Paid-up coverage with reduced benefits, however the Insured Member shall have the option to surrender the Certificate of Insurance.

If the Insured Member continues the coverage as a reduced Paid-up coverage the reduced benefits given below shall become payable:

Level Cover: Chosen Sum Assured * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term) payable on first death of any one of the Insured Member.

Reducing Cover: The amount payable on the first death of any one of the Insured Member shall be equal to the Cover Schedule on the date of first death of any one of the Insured Members * (Number of Installment Premiums paid/ Number of Installment Premiums payable during the Premium Payment Term).

In case of simultaneous death of the both lives, claim for only one of the joint lives shall be accepted.

On the simultaneous death of both the Insured Members, Sum Assured will be paid only in respect of one life and the risk cover for the surviving joint life will cease.

Other Policy Terms & Conditions

Note: This document does not purport to contain all conditions governing this plan, which will be governed by the terms expressed in the Master Policy document.

Suicide Clause:

In case of death due to suicide within 12 months from the date commencement of risk under the policy or from the date of revival, the nominee/beneficiary of the policy shall be entitled to at least 80% of the total premium paid till the date of the death or the surrender value available as on the date of death whichever is higher, provided the policy is in force.

Grace period:

In case of regular and limited pay option, a grace period of 30 days for the yearly and half yearly premium payment frequencies and of 15 days for the monthly premium payment frequency is allowed under the policy. If the Premium is not received in full at the expiry of the Grace Period the coverage shall lapse and no amount shall be payable on the occurrence of an Insured Member’s death except as may be provided under Surrender Benefits section.

In case of failure of the Master policyholder to remit to us the premium collected in respect of the member, provided the premium is received from Insured Member within grace period, the insurance coverage of the Insured Member, even after expiry of grace period, shall continue, provided the Insured Member establishes that he had paid the premium and secured a proper receipt for the same.

Assignment:

Assignment should be in accordance with provisions of Section 38 of the Insurance Act, 1938 as amended from time to time.

Lapse

In case of regular pay policies if the installment premiums are not paid within the grace period the coverage lapses at the end of the grace period and the risk cover will cease.

In case of limited pay policies, if the installment premiums for first two years are not paid in full within the grace period, the coverage lapses at the end of the grace period and the risk cover will cease. If the installment premiums for first two or more years are paid in full and the subsequent premiums remain unpaid, the coverage will be converted into a Reduced Paid-up coverage with reduced benefits as mentioned in the ‘Reduced Paid-up value’ section above.

If a lapsed coverage is not revived at the end of the period of revival, the coverage will be terminated.

Revival Provisions

When the due premium (in case of Regular Pay and Limited pay options) is not paid within the grace period, the coverage of the Insured Member shall lapse provided the coverage has not acquired Paid-up value. The coverage may be revived by;

- Providing a request in writing for revival within five (5) years from the date of the coverage being lapsed.
• Paying all due premiums till the date of revival along with interest at prevailing rate of interest, if any. The Company may change this interest rate from time to time.

• The rate of interest is calculated as the 10 Year G-Sec rate plus 100 basis points, rounded up to the nearest 50 basis points. The Company will review the rate on an annual basis in April based on the prevailing G-Sec rate. However, under special circumstances where the G-Sec rate changing in excess of 200 basis points from the G-Sec rate used for calculating the current interest rate, the company shall review the rate based on the prevailing G-Sec rate.

• This formula will be reviewed annually and only altered subject to prior approval of IRDAI.

• The revival of the coverage will be as per Board approved underwriting Policy.

• A surrendered Policy cannot be revived.

• The Company may revive the lapsed policy by imposing such extra premium as it deems fit as per the Board approved underwriting policy.
