YOU CANNOT SURELY PREDICT THE FUTURE.
BUT YOU CAN PROTECT IT.
Following are the list of insured serious illness conditions:

1. CANCER
   I. A malignant tumour characterised by the uncontrolled growth & spread of malignant cells with invasion & destruction of normal tissues. This diagnosis must be supported by histological evidence of malignancy & confirmed by a pathologist. The term cancer includes leukemia, lymphoma and sarcoma.

II. The following are excluded:
   i. Tumours showing the malignant changes of carcinoma in situ & tumours which are histologically described as premalignant or non invasive, including but not limited to: Carcinoma in situ of breasts, Cervical dysplasia CIN-1, CIN-2 & CIN-3.
   ii. Any skin cancer other than invasive malignant melanoma
   iii. All tumours of the prostate unless histologically classified as having a Gleason score greater than 6 or having progressed to at least clinical TNM classification T2N0M0.
   iv. Papillary micro - carcinoma of the thyroid less than 1 cm in diameter
   v. Chronic lymphocytic leukaemia less than RAI stage 3
   vi. Microcarcinoma of the bladder

2. FIRST HEART ATTACK
   I. The first occurrence of myocardial infarction which means the death of a portion of the heart muscle as a result of inadequate blood supply to the relevant area. The diagnosis for this will be evidenced by all of the following criteria:
      i. a history of typical clinical symptoms consistent with the diagnosis of Acute Myocardial Infarction (for e.g. typical chest pain)
      ii. new characteristic electrocardiogram changes
      iii. elevation of infarction specific enzymes, Troponins or other specific biochemical markers.

II. The following are excluded:
   i. Non-ST-segment elevation myocardial infarction (NSTEMI) with elevation of Troponin I or T
   ii. Other acute Coronary Syndromes
   iii. Any type of angina pectoris.
3. OPEN CHEST CABG

I. The actual undergoing of open chest surgery for the correction of one or more coronary arteries, which is/are narrowed or blocked, by coronary artery bypass graft (CABG). The diagnosis must be supported by a coronary angiography and the realization of surgery has to be confirmed by a specialist medical practitioner.

II. The following are excluded:
   i. Angioplasty and/or any other intra-arterial procedures
   ii. any key-hole or laser surgery.

4. OPEN HEART REPLACEMENT OR REPAIR OF HEART VALVES

The actual undergoing of open-heart valve surgery is to replace or repair one or more heart valves, as a consequence of defects in, abnormalities of, or disease-affected cardiac valve(s). The diagnosis of the valve abnormality must be supported by an echocardiography and the realization of surgery has to be confirmed by a specialist medical practitioner. Catheter based techniques including but not limited to, balloon valvotomy/valvuloplasty are excluded.

5. COMA

I. A state of unconsciousness with no reaction or response to external stimuli or internal needs. This diagnosis must be supported by evidence of all of the following:
   i. no response to external stimuli continuously for at least 96 hours;
   ii. life support measures are necessary to sustain life; and
   iii. permanent neurological deficit which must be assessed at least 30 days after the onset of the coma.

II. The condition has to be confirmed by a specialist medical practitioner. Coma resulting directly from alcohol or drug abuse is excluded.

6. KIDNEY FAILURE REQUIRING REGULAR DIALYSIS

End stage renal disease presenting as chronic irreversible failure of both kidneys to function, as a result of which either regular renal dialysis (hemodialysis or peritoneal dialysis) is instituted or renal transplantation is carried out. Diagnosis has to be confirmed by a specialist medical practitioner.

7. STROKE RESULTING IN PERMANENT SYMPTOMS

I. Any cerebrovascular incident producing permanent neurological sequelae. This includes infarction of brain tissue, thrombosis in an intracranial vessel, haemorrhage and embolisation from an extracranial source. Diagnosis has to be confirmed by a specialist medical practitioner and evidenced by typical clinical symptoms as well as typical findings in CT Scan or MRI of the brain. Evidence of permanent neurological deficit lasting for at least 3 months has to be produced.

II. The following are excluded:
   i. Transient ischemic attacks (TIA)
   ii. Traumatic injury of the brain
   iii. Vascular disease affecting only the eye or optic nerve or vestibular functions

8. MAJOR ORGAN / BONE MARROW TRANSPLANT

I. The actual undergoing of a transplant of: i. One of the following human organs: heart, lung, liver, kidney, pancreas, that resulted from irreversible end-stage failure of the relevant organ, or ii. Human bone marrow using haematopoietic stem cells. The undergoing of a transplant has to be confirmed by a specialist medical practitioner.

II. The following are excluded:
   i. Other stem-cell transplants
   ii. Where only islets of langerhans are transplanted

9. PERMANENT PARALYSIS OF LIMBS

Total and irreversible loss of use of two or more limbs as a result of injury or disease of the brain or spinal cord. A specialist medical practitioner must be of the opinion that the paralysis will be permanent with no hope of recovery and must be present for more than 3 months.

10. AORTA SURGERY

The actual undergoing of surgery via a thoracotomy or laparotomy to repair or correct a disease of the aorta needing excision and surgical replacement of the diseased aorta with a graft. For the purpose of this definition, aorta shall mean the thoracic and abdominal aorta but not its branches.

Specifc Exclusions:

Traumatic injury of the aorta is excluded.

11. MULTIPLE SCLEROSIS WITH PERSISTING SYMPTOMS

I. The definite occurrence of multiple sclerosis. The diagnosis must be supported by all of the following:
   i. investigations including typical MRI and CSF findings, which unequivocally confirm the diagnosis to be multiple sclerosis;
   ii. there must be current clinical impairment of motor or sensory function, which must have persisted for a continuous period of at least 6 months, and
   iii. well documented clinical history of exacerbations and remissions of said symptoms or neurological deficits with at least two clinically documented episodes at least one month apart.

II. Other causes of neurological damage such as SLE are excluded.
12. BLINDNESS
Total, permanent, and irreversible loss of sight in both eyes as a result of sickness or injury as confirmed by a consultant Ophthalmologist.

Specific Exclusions:
Irreversible here means the blindness should not be correctable by medical or surgical procedure.

13. PARKINSON’S DISEASE
The unequivocal diagnosis of idiopathic Parkinson’s disease by a consultant neurologist. This diagnosis must be supported by all of the following conditions:
- The disease cannot be controlled with medication;
- signs of progressive impairment; and
- inability of the Life Assured to perform (whether aided or unaided) at least three of the following six “Activities of Daily Living” for a continuous period of at least six months:

Activities of Daily Living:
- Washing: The ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means;
- Dressing: The ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances;
- Transferring: The ability to move from a bed to an upright chair or wheelchair and vice versa;
- Mobility: The ability to move indoors from room to room on level surfaces;
- Toileting: The ability to use the lavatory or otherwise manage bowel and bladder functions so as to maintain a satisfactory level of personal hygiene;
- Feeding: The ability to feed oneself once food has been prepared and made available.

Specific Exclusions:
Drug-induced or toxic causes of Parkinsonism are excluded.

14. BENIGN BRAIN TUMOUR
A benign tumour in the brain where all of the following conditions are met:
- It is life threatening;
- It has caused damage to the brain;
- It has undergone surgical removal or, if inoperable, has caused a permanent neurological deficit; and
- Its presence must be confirmed by a neurologist or neurosurgeon and supported by findings on Magnetic Resonance Imaging, Computerized Tomography, or other reliable imaging techniques.

Specific Exclusions:
- Cysts
- Granulomas
- Vascular Malformations
- Haematomas and
- Tumours of the pituitary gland or spinal co

Insurance is the subject matter of the solicitation UIN:117xxV01

15. MAJOR BURNS
Third degree (full thickness of the skin) burns covering at least 20% of the surface of the Insured Member’s body.

ELIGIBILITY CRITERIA
- Minimum age at entry 18 years age last birthday
- Maximum age at entry 64 years age last birthday
- Maximum age at maturity 65 years age last birthday
- Minimum Sum Assured Rs 1,000
- Maximum Sum Assured Rs 50,000 or base policy Sum Assured whichever is lower
- Minimum Group Size is 50

Modes of Premium Payment
The premiums are payable in the yearly, half-yearly, quarterly and monthly modes.
Following factors are applied to yearly premium when paying premiums other than the yearly mode.

11. Pregnancy: Any complications arising from pregnancy or childbirth.
12. Any disease occurring within 90 days of the start of coverage (i.e. during the waiting period)
Section 41 of the Insurance Act, 1938 states:

1. No policy shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.

2. Any Person making default in complying with the provisions of this section shall be punishable with fine which may extend to ten lakh rupees.

Section 45 of the Insurance Act, 1938 states:

1. No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.

2. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud; provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, the grounds and materials on which such decision is based. For the purposes of this sub-section, the expression ‘fraud’ means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:
   a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
   b. The active concealment of a fact by the insured having knowledge or belief of the fact;
   c. Any other act fitted to deceive; and
   d. Any such act or omission as the law specifically declares to be fraudulent.

Mere silence as to facts likely to affect the assessment of risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

3. Notwithstanding anything contained in sub-section 2, no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer; provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive. A person who solicits and negotiates a contract of insurance shall be deemed to be the purpose of the formation of the contract, to be the agent of the insurer.

4. A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued; provided that the insurer shall have to communicate in writing to the insurer or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based. In case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on ground of fraud, the premiums collected on the policy till date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation. The mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact, no life insurance policy would have been issued to the insured.

5. Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

ABOUT PNB METLIFE

PNB MetLife India Insurance Company Limited (PNB MetLife) is one of the leading life insurance companies in India. PNB MetLife has as its shareholders MetLife International Holdings LLC (MIHL), Punjab National Bank Limited (PNB), Jammu & Kashmir Bank Limited (JKB), M.
