Samridhi Aur Aarthik Suraksha Ka Bejod Sangam

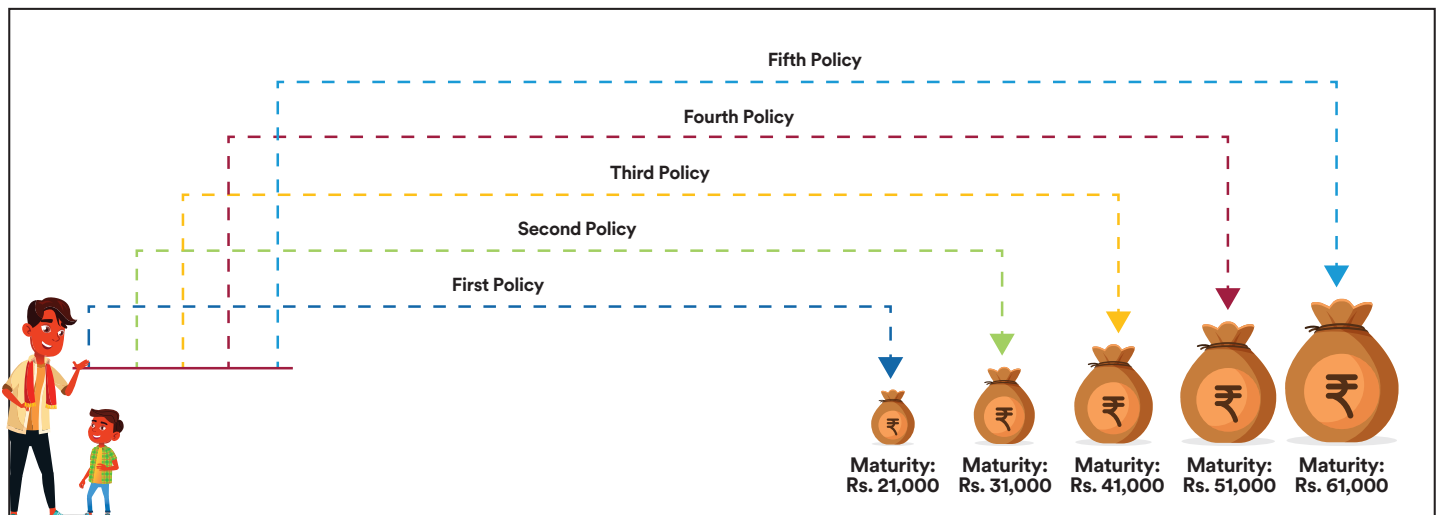

How Does this Plan works:

Vinod owns a decade old grocery shop in a village. He is married to Savitri and they both have a 5-year-old son named Kamal. Vinod wants to save in a guaranteed plan through which he can have regular increasing income every year for his son's future needs.

He chose PNB MetLife Dhan Suraksha Yojna (Micro Insurance Product) which has an inbuilt Accidental Death Benefit, thereby providing additional benefit in case of an unfortunate event as well as to accumulate some savings every year for next 10 years & to provide a guaranteed increasing income to support his son during his growing ages. This plan considers Vinod's limited income and enables him to buy multiple insurance policies under the product which offers dual benefits.
