Section 45, Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Ordinance dated 26.12.2014 are as follows:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 years from
   • the date of issuance of policy or
   • the date of commencement of risk or
   • the date of revival of policy or
   • the date of rider to the policy whichever is later.

2. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from
   • the date of issuance of policy or
   • the date of commencement of risk or
   • the date of revival of policy or
   • the date of rider to the policy whichever is later.

For this, the company should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the company or to induce the company to issue a life insurance policy:
   • The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
   • The active concealment of a fact by the insured having knowledge or belief of the fact;
   • Any other act fitted to deceive; and
   • Any such act or omission as the law specifically declares to be fraudulent.

4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.

5. No Company shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such misstatement or suppression of material fact are within the knowledge of the company. Onus of disproving is upon the policyholder, if alive, or beneficiaries.

6. Life insurance Policy can be called in question within 3 years on the ground that any statement or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the company should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.

7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation. However, the payment will be as per IRDAI direction/Regulation/Circular from time to time.

8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the company. The onus is on company to show that if the company had been aware of the said fact, no life insurance policy would have been issued to the insured.

9. The company can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
