Onus of disproving is upon the policyholder, if alive, or beneficiaries.
6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the Assured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the company should communicate in writing to the Assured or legal representative or nominee or assignees of Assured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the Assured or legal representative or nominee or assignees of Assured, within a period of 90 days from the date of repudiation. However, the payment will be as per IRDAI direction/Regulation/Circular from time to time.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the company. The onus is on company to show that if the company had been aware of the said fact, no life insurance policy would have been issued to the Assured.
9. The company can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life Assured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
