Under this Option, **You** will be provided the six **Unit Linked Funds** under the **Policy** to choose from as specified in Part E. **You** can also choose to **Switch** between the **Unit Linked Funds** in accordance with the below provisions.
  - (II) **Systematic Transfer Option:** Under the Self Managed Option **You** may opt for the Systematic Transfer Option which allows **You** to make the most of market volatility and take advantage of the rise / fall in the market.

**You** may opt for the Systematic Transfer Option at inception of the **Policy** or during the **Policy Term** provided that:

- A. The annual premium payment mode is applicable under the **Policy**;
- B. If this Option is chosen at **Policy** inception, the premium allocation percentage in Protector II **Unit Linked Fund** should be at least 50% of the **Annualized Premiums** received. If this Option is chosen during the **Policy Term**, then Protector II Fund should at least have 50% of the **Fund Value**.
- C. If the Systematic Transfer Option is chosen during the **Policy Term** it will be activated only at the next **Policy Anniversary**.
- D. All requests for opting in and out of the Systematic Transfer Option must be given to **Us** at least 30 days before the next **Policy Anniversary**.
- E. If this Option is in force under the **Policy**, no **Switches** will be allowed to or from the Protector II and Flexi Cap **Unit Linked Funds**.

- H. In case premium payment mode is changed from annual to any other mode, this Option will become deactivated automatically.

If this Option is in force under the **Policy**, the **Units** will be automatically transferred from Protector II Fund to Flexi Cap **Unit Linked Fund** at the end of every month in the following manner:

<b>Month1</b>	1/12 of the units available at the end of Month1
<b>Month2</b>	1/11 of the units available at the end of Month2
...	
<b>Month5</b>	1/8 of the units available at the end of Month5
...	
<b>Month11</b>	1/2 of the units available at the end of Month11
<b>Month12</b>	Balance Units available at the end of the Month12

(III) **Auto Rebalancing Option:** If this Option is in force under the **Policy**, **Your** funds shall be allocated in the following manner and subject to the terms set out below:

- A. **You** may choose the allocation proportion, at inception of this Option, between only the Flexi Cap and Protector II **Unit Linked Funds**. At the inception of this Option, **You** are also required to choose a desired **Trigger Level** between 10%, 15%, 20% or 25% (as defined below), for this Option to take effect.

'**Trigger Level**' means a percentage as chosen by **You**, on the breaching of which an auto rebalancing activity is carried out to restore the **Your Unit Linked Fund** mix to a level as chosen by **You** at the inception of this Option. The **Trigger Level** is measured on the **Unit Linked Fund** for each **Policy**.

- B. Due to subsequent alteration of the desired mix of the total fund from what had been chosen at inception, as a result of market movements in either direction, the **Trigger Level** defined on the total fund by **You** may be breached. In such a case, an automatic rebalancing activity on the total fund will be carried out to set the proportion of monies in the Flexi Cap **Unit Linked Fund** & Protector II **Unit Linked Fund** to the desired mix as chosen by **You**.

By way of illustration, where the premium is Rs. 100 and the desired mix chosen by **You** at inception is 75% in Flexi Cap **Unit Linked Fund** and 25% in Protector II **Unit Linked Fund** and the chosen **Trigger Level** is 20%. During the course of the year, the Flexi Cap **Unit Linked Fund** may have moved to Rs.95 from Rs.75 and the Protector II **Unit Linked Fund** may have moved to Rs. 25 from Rs. 20 thus making the fund Rs. 120. In this case the chosen **Trigger Level** of 20% is breached which will initiate an automatic switch activity in order to restore the 75:25 balance between Flexi Cap **Unit Linked Fund** and Protector II **Unit Linked Fund**. Post this switch the Flexi Cap **Unit Linked Fund** will hold Rs. 90 and the Protector II **Unit Linked Fund** will hold Rs.30.

- C. This automatic switch will not be included in the total number of **Switches** that may have been taken in the Self Managed Option. **You** will be given a choice to change the ratio of **Your** desired mix and the **Trigger Level** once every year free of any charges. Thereafter, every change, whether to the desired mix or to the **Trigger Level**, will be charged Rs. 250 per change. In case of change, the **Unit Linked Funds** will be rebalanced as per the new ratio between Flexi Cap **Unit Linked Fund** and Protector II **Unit Linked Fund** and the new **Trigger Level** will be monitored.
- D. **You** can choose to stop the trigger option anytime and can reallocate the remaining **Units** in any manner amongst the other **Unit Linked Funds**. **You** may opt out of this Option during the **Policy Term** by giving **Us** a prior written request, in which case the Option will cease to be effective from the **Policy Anniversary** following the receipt of **Your** request. However once **You** have chosen to discontinue this Option, **You** may restart it only once in a **Policy Year** free of charge. In case of **You** wish to subsequently re-opt for this Option, a fee of Rs. 250 will be charged.
- E. In case of any new transaction, such as payment of renewal **Premiums**, these payments will be allotted in the same proportion as prevailing at the time of payment of such **Premiums**. In case of **Partial Withdrawals**, the amount can be withdrawn from the funds in the same proportions.
- F. This Option will become deactivated in case the **Policy** becomes a discontinued **Policy**.

Increase or decrease in **Regular Premium** is not allowed in this **Policy**.

- 1. No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy i.e. from the date of commencement of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.

2. A policy of life insurance may be called in question at any time within three years from the date of commencement of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud; provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, the grounds and materials on which such decision is based. For the purposes of this sub-section, the expression 'fraud' means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:
  - a. the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
  - b. The active concealment of a fact by the insured having knowledge or belief of the fact;
  - c. Any other act fitted to deceive; and
  - d. Any such act or omission as the law specifically declares to be fraudulent.

Mere silence as to facts likely to affect the assessment of risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

3. Notwithstanding anything contained in sub section 2, no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer; provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive. A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.
4. A policy of life insurance may be called in question at any time within three years from the date of commencement of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued; provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based. In case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on ground of fraud, the premiums collected on the policy till date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation. The mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact, no life insurance policy would have been issued to the insured.
5. Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

7. **Fraud, Misrepresentation and Forfeiture:** Fraud, Misrepresentation and Forfeiture would be dealt with in accordance with provisions of Section 45 of the Insurance Act 1938 as amended from time to time. A Leaflet containing the simplified version of the provisions of Section 45 is enclosed in Annexure for your reference

**8. Proof of Age**

- (a) Subject to Section 45 of the Insurance Act 1938, if the actual age of the **Insured** differs from the **Age** stated in the **Application** then:
- (i) If the actual age proves to be higher than what is stated in the **Application**, the **Basic Sum Assured** will be adjusted to that which would have been purchased by the amount of premium paid, had the age been correctly stated. The **Policy** will continue to be in force;
  - (ii) If the actual age proves to be lower than what is stated in the **Application**, the premium paid in excess will be refunded to **You** without interest or may be adjusted towards future premium at **Our** sole discretion. The **Policy** will continue to be in force.
  - (iii) If the **Insured's** actual age is such that it would have made him/her ineligible for the insurance cover stated in the **Policy**, **We** reserve the right at **Our** sole discretion to take such action as may be deemed appropriate including cancellation of the **Policy** upon payment of the **Surrender Value**.

**9. Loss of the Policy Document**

If the **Policy** is lost or destroyed, **You** may make a written request for a duplicate **Policy** which **We** will issue duly endorsed to show that it is in place of the original document, as long as **You** first pay **Us** the Miscellaneous Charge specified in Part E.
